

Nikki Headley Bio

Mother, wife, friend, songwriter, performer, and Christian... These are words to describe Nikki Headley as she enters national spotlight as a soldier for the Lord-singing her way into the hearts and souls of listeners everywhere. Music has been a part of Nikki's life for as long as she can remember. God blessed her with a talent to sing and write and has called her to use her talent for HIS glory and the great work we are all commanded to do for Jesus-Save Souls!~Her second single, "He Holds the Pen" is her tribute to the talents God has given her.

Nikki has received such recognition as Female Vocalist of the Year, Entertainer of the Year and has been a TOP 5 Nominee in categories such as Female Horizon, Female Vocalist, Female Songwriter and Outstanding Achievement. God has revealed His will regarding the musical ability He had blessed her with. She has been praising God both on and off the stage ever since.

Nikki's support comes from family, friends and the unending love of her husband Chip, whom she refers to as her soul mate. It would be his prayer that God would help him learn to play guitar so he could accompany her. God answered in four short weeks. Together they continue to perform at many churches, retirement homes, assisted living and nursing homes, coffee houses, benefits, senior groups, county fairs, parades and many other organizations and venues for the "soul" purpose of spreading God's word in song. Their ministry has taken them through many states such as North Carolina, South Carolina, Alabama, Kentucky, Tennessee, West Virginia, Missouri, Georgia, Texas, Arkansas, Ohio and many places in their home state of Virginia.

With God's help, Nikki shares her gifts nationally through radio air play of her songs and the release of her first original CD, "Glory Ride" which started on a compilation CD recorded with Sims Records in Nashville as her first single (titled the same). These original songs have been shared with many for years. Also from the "Glory Ride" CD comes a second single, "He Holds the Pen", and a third, "Get Outta the Boat". Her second CD, "Lead Me Lord", includes more original songs by Nikki and Chip and has two singles released to radio, "Dancing With The Angels" and "The Ten Commandments".

Nikki and Chip were blessed with their own radio show called The Gospel Showcase with Chip & Nikki on WHAP 1340AM-Hopewell, VA. They used this venue to touch the hearts of many with Southern Gospel, Christian Country & Bluegrass Gospel music by the artists and ministires they have met in their travels, to share testimony and celebrate, rejoice and rejuvenate together in JESUS' name.

Nikki believes it is the strength, love, prayers and overwhelming support of everyone that is a part of her life that has helped her to where she is today and JESUS who has made it all possible. She is blessed and honored to glorify her Savior-JESUS CHRIST and welcomes every opportunity to share her love for Him through her ministry. Her schedule, song clips, new friends, photos and adventures will be featured on www.nikkiheadley.com. To book an appearance contact by email: nikkiheadley@mail@yahoo.com or call 804-221-2491.
